

Availability Listing 2010

By Geographical Locations

The following is a listing of Accredited Architectural Technologists who offer their professional services directly to the public. These Members have completed all the requirements for Accreditation with the Association of Architectural Technologists of Ontario. It is recommended that you take care to establish a clear definition of the scope of your project and the services you require to be provided, and make an agreement between the parties in the form of a written contract of "Fee for Service" before the work commences.

The Availability Listing is provided as a free service to the public. Inclusion in the listing does not constitute a referral or recommendation by the Association. The AATO shall not be a party to any contract for services that may result from use of this listing.
